Guidelines about the semester examination

Due to Covid 19 pandemic the technical board has decided to conduct 2019-20 semester examination for final year & all semester backlog examination from 07-09-2020 to 28-09-2020 & has given guidelines to promote 2nd semester & 4th Semester students.

1. Examination for final year & all semester backlog examinations will be conducted from 07-09-2020 to 28-09-2020.
2. All final year students have to attend the examination(6th Semester)
3. The students those who have backlogs in any semester have to appear for the examination which will be conducted from 07-09-2020 to 28-09-2020.
4. In the academic year 2019-20 those who study in 2nd & 4th semester will be passed or promoted to higher semester without examination. The following rules will be followed or enforced to pass or promote examinations. The marks to be awarded in each theory subjects for maximum 100 marks are fixed in the following way.
 - a. **50%** of average of passed subjects of previous semester.
 - b. 50% of continues evaluation.
5. If ministry of home affairs permits to conduct theory classes and also if the local situation is favorable and along with Covid -19 precautions theory classes, third internal test may be conducted and marks may be awarded as per prevailing rules .

If the local situation doesn't allow third test to be conducted then the average of 1st & 2nd internal test will be considered for internal marks.

6. Due to Covid -19 pandemic, only 2019-20 students are given full carry over instead of 4 subject as in the exiting promotion rules.
7. If students submit written requests such students are permitted to write the examinations at the government polytechnic of Karnataka state nearest to them.
8. Due to Covid -19 pandemic, regular students of 2019-20 are exempted from practical examinations and will be passed by considering marks obtained from the internal practical Examinations.
